Bon Bini na Boneiru!
Welcome to Bonaire!

Buddy Dive
RESORT

Bonaire

Bonaire is known world-wide for spectacular scuba diving. Because reefs are close to shore, boat rides are short and pleasant. Unlimited tanks for shore diving is offered (with some of the BEST shore diving from the resort)!

Walking through the resort, one can truly appreciate a broad spectrum of the flora and fauna of Bonaire. Iguanas, lizards, over 50 species of birds, and a wide variety of indigenous and imported species of plants and trees, create the perfect balance between world class accommodations and nature.

And the ocean is always just steps from your door.

\$500 non-refundable deposit required to reserve your space.
Passport Required for Travel. Trip Insurance highly recommended.
Subject to airfare changes and fuel surcharge changes until ticketed
Does not include departure tax
