Costa Rica is world famous for its ecological richness and diversity. Its mountains, rainforests, and oceans are blessed with a great variety of animal and plant life. Costa Rica's north Pacific coast is the diving world's newest discovery. Few places in the world have waters with such plentiful marine life, including schools of Eagle Rays and profuse pelagic populations.

Our accommodations allow easy access to all your diving and touring activities. Explore the rainforests, ancient volcanoes, and waterfalls that are among the most spectacular in the world.

A \$350 non-refundable Deposit Is Required

Price subject to change until ticketed due to airline taxes or fuel surcharges.
