

GULF FLOWER GARDENS

July 6 - 8, 2012

Picture yourself over 100 miles from land, in the middle of the Gulf of Mexico. But here, in the midst of this unpredictable Gulf, lie some of the most beautiful and wild dives in all the world. Manta rays, whale sharks, coral heads bigger than cars, hundreds of species of fish and invertebrates... This place teems with life!

This dive trip aboard the Liveaboard MV Fling is a trip not to miss, especially so close to home; located in Freeport, Texas - just south of Houston. The annual trip sells out early, so be sure to get your deposit in NOW to reserve your space. Space is limited. A deposit of \$200 will hold your reservation.
